To potential investors/sponsors:

The Conz/Diaz Champion Racing Team has presented to us their business plan and racing budget for the 2004 season. We at the State Party find the prospect of a Republican led team competing in the fastest growing sport in the country quite an exciting endeavor. We have accepted the challenge and are working with our friends in the business community to raise \$6,000,000.00 by June 1, 2004 for their effort.

It is our hope that if you receive this letter, within the context of a promotional packet for this team and that you give the request consideration. We hope that you can develop a business relationship with this team, subject to your inspection of their materials, and the needs of your enterprise.

Sincerely yours,

Victor Diaz
